Class Protocol: Attendance

It is important that you attend all meetings of the class, and that you arrive on time for class. Arriving late is disruptive and unfair to those students that have arrived to class on time. Chronic attendance problems will affect your ability to learn the material and your grade and could result in your removal from the class.

Grading Scale

WSU uses a +/- grading scale for final grades and to calculate grade point averages. In other classes, grades are assigned according to the following chart. (Other classes might assign grades differently: Be sure to understand the different grading scales in all of your classes.)

Points/percentages, as instructor chooses	Letter grade

is due. Each student who turns in homework must be present in class. Late assignments will not be accepted for a grade unless arraignments are made with the instructor prior to the due date.

1. Use 8+1/2" by 11" paper only.
2. Write on only one side of the page.
3. Put problems in same order as the assignment
4. STAPLE THE PAGES TOGETHER.

And remember at all times that it is not good enough if only you know what you did do. If I don't read it, I will not grade it. Homework that is disorganized and not in correct order will receive a grade deduction.

Exams and Grading:

1. There will be three (3) one hour exams, 100 points each.
2. NO MAKE-UP TESTS WILL BE GIVEN.

Final Grades:

Exams	300
Homework	100
=====	
Total	400

Undergraduate vs. Graduate Credit for 700 level courses

Undergraduate students enrolled in 700 level courses will receive undergraduate credit (not graduate credit) unless they have a previously approved senior rule application or dual/accelerated enrollment form on file in the Graduate School. Undergraduate credit earned in 700 level courses cannot later be counted toward a graduate degree
