- x The Basic Course for Humans Subjects Research will require 4-6 hours to complete. You are encouraged to use multiple log-on sessions.
- x You can repeat a module multiple times until you get a passing grade (80% or better).
- x Print out or save to your computer the completion reports for your records. You do not need to email these with your submission unless you are affiliated with another institution.
- x CITI training must be refreshed every 3 years. The Refresher training is less time intensive than the initial training. You will receive a reminder email from CITI 60 days before your training expires.
- x If you have questions about the requirements for WSU IRB, please contact the IRB Administrator at [IRB@wichita.edu](mailto:IRB@wichita.edu). If you are a graduate student with questions about the requirements for your program, contact your advisor.
- x If you have technical questions about the CITI website, log in and click on the support tab.
