Roommate/Suitemate Tips and Tricks

Without a doubt, your time spent at WSU will be filled with many new experiences and memories. For most of you, simply sharing a room may be a new experience. Roommate relationships are the foundations for community development. It is not necessary to be b

- If you have a lot of clothes or items in your drawers or closet, leaving them open can make your room feel cluttered and messy. Closing these items helps your room feel clean and gives you more room for activities.
- Vacuum your room
 - You probably don't realize how much dirt you are tracking in from outside, or how much hair and food crumbs are accumulating on your floor. By vacuuming your room once a week you will make sure that your floor is a clean and comfortable place for your friends to hang out. Vacuums are not provided by HRL.
- Wash your dishes
 - After using your dishes, go ahead and wash them. If you leave them for later, there is a chance that you will forget about them and the next thing you know, you have 2 weeks' worth of dirty dishes in your room. If you don't have time to wash them after you use them, create a dirty dishes tub for yourself and wash your dishes when the tub gets full.
- Take 5 minutes to pick up
 - It can be overwhelming to have to spend hours cleaning and organizing your room. Take 5 minutes at the end of your day to put your items back where they belong. This will help your room look cleaner

possible. Please do not tamper with the room sign in any way (including removing the room number or putting something over it).

Health & Safety Room Checks

Twice a semester our staff will conduct health and safety room checks. These are not checks to look for policy violations, but instead are a time for us to make sure that there are no big safety concerns in your room. You will be given a minimum of 24 hours advance notice so that you can make sure your room is ready for us to inspect. If you have any questions about what we are looking for, or if something might be considered a safety hazard, please contact your RA.

Vandalism

Our staff works hard to make door decorations, floor decorations, bulletin boards, and to keep our residence halls clean. Please don't take these items without permission from the staff member that made them or purposely destroy them. Make sure that you are also respecting your roommate's personal items and treating them as you would want your items to be treated. Tampering with floor decorations will result in documentation within the Office of Student Conduct and Community Standards.

Smoking/Smoke Damage

Smoking is prohibited on University premises (including on-campus housing) as outlined in Policy 11.11. This includes but is not limited to smoking the following: cigarettes, marijuana, vaping, e-cigarettes, or any other illegal substance. If a residence hall room, common space, or hallway directly outside the room has a smell of smoke, a conduct report may be submitted, and the student(s) residing in that space could be held responsible for a restitution fine starting at \$100 (Price is determined by Housing and Residence Life).

Should smoking cause damage to University property, students may be charged under Student Code of Conduct policy VI.C.1- Damage and/or Destruction of Property which may lead to additional restitution fines.

Game Room/Clubhouse/Media Room

The game rooms in the residence halls are open to the residents of their assigned building and their guests only. Only residents can check out equipment at each information desk and they must provide the Shocker Card as identification.

Information Desks

The information desks, located within Shocker Hall and The Suites, exist to assist you. Desk assistants answer questions, take phone messages, and check out temporary keys/cards, cleaning supplies, cooking supplies, recreation equipment, and other items. Cleaning supplies must be returned within one hour. Please be aware that a late charge may be assessed for temporary keys/cards and other items not returned on time. These charges will be assigned to your university account. Desk hours are 24/7 but may vary during advertised dates.

Internet Service

Wireless internet service is available throughout WSU residence halls for residents and their guests, using the university's standard "WSU Secure" and "WSU Guest" networks. Gaming and streaming devices may connect to the WSU Guest network, but please note that not all devices are guaranteed to connect. The wireless networks are serviced by WSU's Information Technology & Telecom departments.

Guest wifi is available in each building and is labeled "WSU Guest (building)" (i.e. WSU Guest Suites). The password for each of these wifi networks is "shockers"

Wire internet service is only available in resident spaces in Shocker Hall. The Media Room in the Suites at WSU offers wired connections for specialized eSports events.

Laundry Facilities

The laundry rooms in Shocker Hall are within the five LKLs. All laundry machines are new and can be used free of charge. An app is available to download for timing convenience. If you notice that a laundry machine is broken, or not working properly, report it to the information desk or call the washing machine company. The number for the washing machine company is located in the LKL.

A washer and dryer are provided in each apartment in The Flats and each suite in The Suites, the costs of which are included in the room rates. Any malfunctions with either machine should be reported immediately to the Suites information desk.

Mail cannot be delivered to non-residents. Mail must be addressed to the resident receiving the mail. Mail will not be given to any other individual. Packages will be held for 14 days before they are returned to sender. HRL cannot forward packages, meaning all unclaimed packages will be returned to sender.

After the end of the spring semester, or whenever a resident permanently leaves on-campus housing, first class mail will be forwarded for up to 30 days (or in accordance with postal regulations) if the resident leaves a forwarding address when they check out of the building. Non-profit mail, pre-sorted standard mail, magazines, and newspapers cannot be forwarded. Please note that you cannot leave the address of a friend living in HRL as a forwarding address. If you do not leave a forwarding address, your mail will be returned to sender. Remember to contact all creditors and companies with your change of address before you move, as many package distributors will not allow us to forward packages, and they will therefore be returned to sender.

[Maintenance Service](#)

The maintenance staff makes repairs to the facilities as needed and performs preventive maintenance operations. Please report problems that you observe in public areas at your Information Desk. Room maintenance requests may be made by residents through their housing portal. If residents cannot access this feature, please see the information desk. Routine maintenance and repairs will be completed during regular business hours. Facilities staff members will leave a notice in the room indicating work has been performed if done while no residents are present. If, after a reasonable period of time, you do not see improvement in a maintenance problem you reported, notify your Residence Life Coordinator.

HEALTH, SAFETY, SECURITY, & EMERGENCY INFORMATION

In case of any emergency situation on HRL property, notify your RA, RLC, or Information Desk. If the situation warrants, call the University Police Department at 316-978-3450 or 911. Students are encouraged to register for the WSU Rave Alert System to receive e-mails and text messages notifying them of severe weather and on-campus emergencies. This service is available for sign up through the *myWSU* online portal. The scrolling marquees located in each building will also notify students of severe weather and on-campus emergencies.

Shocker Hall and The Suites have 24-hour desk services and all guests that arrive between the hours of 10pm and 6am must be registered at the front desk. After 10pm and before 6am all residents may only enter through specified doors within their building. Door alarms have been added and will sound if doors are propped or held open for too long. Security cameras have been added to all three resident halls to ensure resident safety and security.

All visitors must be escorted by a resident or staff member at all times. If you see an unescorted non-resident (guest or stranger), note their behavior and appearance and contact HRL staff immediately. Unescorted visitors will be asked to leave HRL property.

Please be aware that security depends on you. Do not allow people to walk through doors behind you unless you are sure they are residents. In addition, the accessible button should not be used to open doors unless absolutely necessary. Unwanted visitors may enter when this door is opened. Report any strangers to a staff member or the University Police Department immediately.

Individuals who misuse personal protection devices will be referred for disciplinary action. Residents who tamper with alarms or locks, prop doors open, assist others in gaining unauthorized entry into the residence halls, or endanger the safety of residents will be referred for disciplinary action.

STUDENT CONDUCT PROCEEDINGS

Philosophy

Housing & Residence Life at Wichita State University strives to maintain a community which values academic excellence; institutional integrity; and justice, equity, and diversity. Each member of the community shares responsibility in maintaining conditions that support the University's purpose. The WSU Student Code of Conduct and the Housing & Residence Life Handbook outline the standards of behavior expected of every student living in campus housing. The policies and procedures outlined have been designed to assist students in their pursuit of knowledge and personal development. A student voluntarily joins the Wichita State University community and thereby assumes the obligation of abiding by the standards prescribed in the Student Code of Conduct and the Housing & Residence Life Handbook. RESIDENCE HALL POLICIES AND PROCEDURES

Housing and Residence Life's primary concern is the health and safety of our students. To accomplish that goal, some regulations are necessary to promote safety and security in the residence halls. The Housing and Residence Life Handbook outlines HRL behavior expectations for students. By choosing to become a member of the On-Campus housing community, students are expected to demonstrate respect for themselves and others and to conduct themselves in a manner that is consistent with Wichita State University rules and policies; federal, state, and local laws; and city ordinances. When choosing to become a part of the On-Campus housing community, students must understand it is a privilege. A student's failure to follow the outlined policies and procedures may determine if they should no longer share in that privilege.

These policies and procedures also apply to behavior conducted online, via e-mail or through other electronic mediums. Behavior in Shocker Dining is expected to mirror behavior in the residence halls. Allowing, permitting, or providing an opportunity for a guest to violate these policies and procedures may be subject to disciplinary action as outlined in the Student Code of Conduct. Lack of familiarity with these policies and procedures, intoxication or impairment from alcohol, drugs, or other substances, or an individual's disability is not an excuse or a defense to a violation of these policies and procedures. Unless specifically noted in the policy definition, intent is not a required element to establish a policy violation.

These policies are a supplement to a resident's responsibilities outlined in the [Wichita State University Student Code of Conduct and the Housing Contract Terms and Conditions](#). All students in a room or area where a policy is being violated may be held responsible for the behaviors, even if they are not engaging in the behaviors or violation of policy directly. Additionally, residents are responsible for all actions of their guests.

A. Alcohol

In conjunction with the law, any person under the age of 21 is prohibited from consuming, possessing, or distributing alcohol on campus.

- Intoxication is never an acceptable excuse for misconduct or for infringing upon the rights of others. Residents should avoid engaging in dangerous drinking behaviors (excessive/rapid consumption).

B. Balconies

Only appropriate porch furniture and potted plants will be permitted. No bicycles, flowerpots, vbycj -010.00136 0f0d2

If a student has a conflict with a roommate because of their gender identity and/or expression they can utilize their RA as a resource. If the student should need further help, they can see their Residence Life Coordinator. RLCs are full time professional staff members. All residence life staff have taken part in training specifically on gender identity/expression issues provided through Wichita State's Office of Diversity and Inclusion. Another resource available is the staff at the Office of Diversity and Inclusion, located in the Rhatigan Student Center. Should a student ever experience bias on campus, they are encouraged to submit a Bias Reporting Form found at https://cm.maxient.com/reportingform.php?WichitaStateUniv&layout_id=7 in addition to reporting the incident to a staff member.

Summer Living

During the summer months, Housing & Residence Life plays host to numerous camps and conferences in addition to housing residents who lived in HRL facilities spring semester of the same year and/or are taking a summer class. Shocker Dining, the RSC, Information Desks, Groundhouse Coffee Shop, and the Game Room/Clubhouse may operate under different hours during the summer months.
